You have been given temporary access to do AR quizzes from home. This is not a requirement, it is an option if you want. Please remember to do the quizzes by yourself without looking back at the book for answers. Any quiz completed will not count towards your grade for 3rd and 4th grade students. However, any quiz completed will count towards a slip for the AR drawing for 3rd and 4th grade students. If you forget your login information the pattern is

Username is graduation year, first initial, last name   example: 28ppulizzi
Password is mont with your graduation year,   example: mont28

If you are having any problems with your AR account please email Mrs. Pulizzi at ppulizzi@montoursville.k12.pa.us

Click on these links to read **free ebooks online**. These are books you can read online and then take AR quizzes.
