*"Home of the Warriors"*

## THE MESSENGER

[www.montoursville.k12.pa.us](http://www.montoursville.k12.pa.us)

Aug / Sept / Oct / Nov 2013

### Message from the Superintendent

As the summer begins to wind down and we put the finishing touches on our preparation work for the upcoming 2013-2014 school year we are anxious to welcome our staff and students back for another exciting school year. We have made several improvements in our technology capabilities over the summer and continue to make improvements in areas of curriculum, instruction and school safety.

#### Congratulations Class of 2013

The Montoursville Area High School class of 2013 held their formal commencement exercises on June 6, 2013. The ceremony was well attended by family, friends and staff and the class of 2013 did a tremendous job participating with elegance and grace. Our graduates reconfirmed to everyone why our graduates have exciting futures ahead of them. Once again

congratulations to all graduates and their families.

#### Visit or website

As we progress through the upcoming school year let me encourage you to be involve in the many different activities that occur at our schools. For up to date information regarding schedules and activities please visit our website at [www.montoursville.k12.pa.us](http://www.montoursville.k12.pa.us).

### Greetings from the Special Education Department

I hope everyone had a safe and happy summer, and enjoyed quality times with family and friends. We are excited to get the 2013-2014 school year underway as we are looking forward to many exciting things in the department this year. It is our goal to provide the highest quality educational services to all the students within the district. Each of our teachers has spent many hours of professional development prior to the beginning of the school year to improve in the areas of planning and preparation, instruction, classroom environment, and professional responsibilities.

Please take some time to view the updated special education

website as I will be adding updates to this site throughout the school year. I am looking to include such things as special education resources for parents, teacher information, regulations and guidelines for students with disabilities, gifted education, and 504 Accommodation Plans. If you can think of a specific area of growth for our web page, please feel free to contact me and I will be more than happy to consider your resources.

As leader of the department, I would like you to continue to collaborate and communicate with the teachers and myself in regards to any educational placement/service questions you may have. They may include:

Questions in regards to the education of your child (IEP, 504 Plan, GIEP)Have ideas you think would be beneficial to share with parents and other community stakeholders in regards to issues/concerns for students with disabilities.

Schedule a formal/informal meeting to discuss your child's progress

Participate in the planning process for the Special Education Plan

As always, I look forward to working with you all during the upcoming school year, and I can be reached via email at [ebriggs@iu17.org](mailto:ebriggs@iu17.org), or via office phone at 570-368-3502 ext. 4

# Art Winners

## Lycoming County Fair Art Winners!

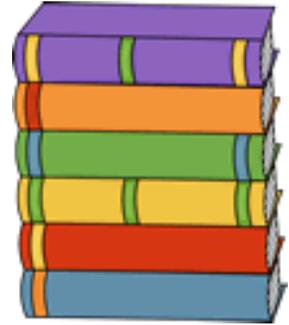

Loyalsock Valley Elementary School participated in the Lycoming County Fair this summer. 50 pieces of art created by students in grades 1 through 4 entered the juried exhibit. Art pieces of many different medium, such as watercolor, oil pastels, colored pencils, scratch-art, construction paper, tempera paint, and clay were chosen to represent the school. Of the fifty pieces, 24 received ribbons!

3<sup>rd</sup> place winners included Dylann Eck, Lydia Farber, Amaya Kerwell, Hannah Klotz, Gavin Livermore, Jacee Milheim, and Laurel Shipman.

2<sup>nd</sup> place ribbons went to Jeremiah Caseman, Miya Gillin, Rowan Ging, Tyler Lepley, Jacob Mackenzie, Madeline Keeth, Isabella Stutzman, and Kaleb Watts

1<sup>st</sup> place awards included Maddie Adams, Ben Huff, Kaitlyn Klotz, Maddie Labatch, Maya Neiman, Silas Pedro, Gabrielle Shearer, Isabella Taylor, Bryn Vargo

Congratulations to all the students who participated in the show this year!

## Attention Students:

### Technology/Aviation Class

Along with regularly scheduled classes, students have the opportunity to go on field trips to Smithsonian Air and Space Museum, Pittsburgh International Airport, Piper Museum at Lock Haven, The Pennsylvania College of Technology Lumley Aviation Center and the Energy Air facilities at Williamsport Regional Airport. Another opportunity that students can take advantage of are several hours of flight instruction in a Piper Warrior at Williamsport Regional Airport with a certified flight instructor. All of the opportunities, flight instruction and class offerings are provided without charge to the school district or students, thanks to a grant offered by the ISTAT (International Society of Transport Aircraft Trading) Foundation. Seating in the class is limited, so sign up today at the counseling department of Montoursville Area High School to reserve your spot in this exciting exploration of aviation and aviation based careers. Don't wait. Explore the possibilities of learning at the same time your student is exploring flight.

Have you ever dreamed of soaring like a bird or finding out what it is like to pilot an airplane? Then sign up for the Transportation Technology/Aviation class that will be running this year. The class meets on Monday afternoons from 3:45 to 5:45 during the days school is regularly in session. The class will begin meeting on Monday September 16th. Classes are held at the technology lab in C.E.McCall Middle School to make use of the flight simulators and equipment.

## High School Theatre

High School Theatre Department Recognized: The 2012 Fall Play, *The Crucible*, was honored with the BEST PLAY award at the Ray of Light Awards for Excellence in High School Theatre in May 2013. Austin Boroch (Class of 2013) won an award for BEST ACTOR for his role as John Proctor in *The Crucible*.

MAHS Theatre Department Presents *The Brothers Grimm Spectaculathon* November 7, 8, & 9, 2013 at 7 PM. The fairy tales of the Brothers Grimm are turned on their heads in this fast-paced, rollicking ride as two narrators and several actors attempt to combine all 209 stories ranging from classics like *Snow White*, *Cinderella*, and *Hansel & Gretel* to more bizarre, obscure stories like *The Devil's Grandmother* and *The Girl without Hands*. A wild, free-form comedy with lots of audience participation and madcap fun!

## Montoursville Community Yard Sale Event

# Lunch Lines by Jack Fessler

## Notes from the Food Service Department

This year will bring more changes mandated by Healthy Hunger Free Kids Act. Most of these changes will involve the breakfast program, competitive foods (snacks), grains and calorie amounts by grades.

Does your child wake up too late to eat breakfast at home? If so try breakfast at school! Hot entrees, cereal, fruit, juice and milk are offered every day. For only \$1.10 your child can enjoy a great breakfast and have lots of energy to get through the day. Students who qualify for free or reduced lunch also qualify for free or reduced breakfast.

Due to the federally mandated portion and calorie restrictions "Premium Lunches" will no longer be offered at the high school. In place of the premium lunches, a variety of salads, sandwiches and wraps will be offered daily.

We are also looking for high school students to serve on a Food Service Focus Group. This group will meet with members of the food service staff to enhance the operation of the food service department. Watch for details at the beginning of the school year.

Breakfast price for the 2013/2014 remains the same as last year \$1.10 for elementary, middle and high school students. Lunch prices for elementary students are \$2.20 and \$ 2.35 for middle and high school students. The Montoursville Area School District cafeterias use a computerized point of sale system that helps students spend less time in the serving lines and allows parents to make prepayments into student lunch accounts. Payments may be made online at [www.mylunchmoney.com](http://www.mylunchmoney.com). This website can also be used to track student account balances and purchases at no additional cost.

A policy outlining how students may borrow or charge for a school lunch was adopted for the 2012/2013 school year. This policy remains in effect for 2013/2014. Please note that the policy states that money in student accounts at the end of the school year are transferred to the next school year and

balances due to the cafeteria are also carried into the next school year.

## Elementary and Middle Schools Borrowing Guidelines

Elementary and middle school students may charge up to a maximum of three (3) meals to their student meal account. Charging will not be permitted for any a la carte items.

When elementary and middle school student meal account balances reach \$6.00 or less, cashiers will communicate the student meal account balance information to the students.

The cashiers will also offer students a payment envelope and advise each student that additional funds will need to be deposited into their student meal account. Once a student meal account is in arrears for three (3) meals, the head cook will make a courtesy call to inform parents/guardians of the student's negative meal account balance and request immediate remittance of the amount in arrears.

In the elementary schools, negative balance letters for student meal accounts will be distributed via the student's classroom teacher once per week.

In the elementary and middle schools, the Food Service Department will mail student meal account negative balance letters once per week to the households of students having student meal accounts with a negative balance of ten (10) or more dollars.

Elementary and middle school students will not be denied a meal; however, an alternate meal (meeting the National School Lunch Program requirements) shall be served to students with student meal accounts that are in arrears for three or more meals. The cost of the alternate meal will be charged to the student's meal account.

If the negative student meal account balance remains ten (10) or more dollars, the Food Service Department may alert the building principal and request assistance in the evaluation of circumstances and collection of negative balances.

Deposits into student meal accounts received after 10:00 am will be deposited next school day. All deposits will be applied to negative balances first.

## High School Borrowing Guidelines

High school students may not charge meals to their student meal account. Additionally, a la carte items may not be purchased by

students carrying a negative balance in their student meal account. All balances for lunches provided to students will remain the responsibility of the student and their parent or guardian. Cashiers will communicate student meal account balance information to students at the end of each transaction. When a student's account reaches \$6.00 the student will be given a payment envelope and be reminded to deposit funds into their student meal account.

Deposits into a student meal account received after 10:00 am will be deposited next school day. All deposits will be applied to negative balances first.

## Collection of Outstanding Balances

Student meal account negative balances will be carried from school year to school year.

The district may institute a collection procedure for unpaid balances including, but not limited to, filing a claim with the District Magistrate or delinquent collection agencies. Parents/Guardians will be responsible to pay the amount due to the cafeteria, as well as any and all fees assigned for collection of monies due to the cafeteria.

## Meal Account Balances

Money in the student's meal account at the end of the school year will be carried over to the next school year. A graduating senior's money will be transferred to a sibling; or upon request account balances over \$3.00 will be refunded.

## Lunch Prices 2013-2014

**Loyalsock Valley \$2.20**

**Lyter \$2.20**

**McCall \$2.35**

**High School \$2.35**

**Breakfast prices will remain the same ! \$1.10**

## News From Loyalsock Valley

### SAFETY FIRST

As another new school year begins, we are asking your cooperation once again in helping keep the Valley a safe place by doing the following:

- DO NOT get your personal vehicle mixed-up with our school buses when they are loading or unloading our students. Please stay away from the bus loop area directly in front of the main entrance *especially* between 7:30 and 8:30 in the morning and then again at dismissal from 3:20-3:35 in the afternoon.
- NEW PRIVATE CAR DROP OFF LOOP...New for 2013-2014 Valley Parents may drop off their child each morning using a newly painted drop off lane (in the lower parking loop) OR park in a parking stall to walk their child to the front porch.
- SIGN-IN at the front entrance. Our security guards, either Mr. J. Ross or Mr. Matt Taylor, will provide you with a visitor's badge. After receiving the badge, all visitors are required to check in at the main office.
- SEND A NOTE with your child when they will be leaving school in a non-routine manner, arriving late, leaving early or when they return from a sick day.
- IF YOUR CHILD IS SICK OR HAS AN EARLY DISMISSAL and you need to pick him/her up at school, please come to the office window, make your request to the secretaries, and wait at the front entrance for your child.
- IF YOU HAVE A CHILD RIDING ONE OF OUR BUSES, it will be up to you as parent/guardian to share any pertinent medical information with the bus driver.

PLEASE...NO FLIP FLOPS. In order to help prevent injuries as a result of falls on the pavement, students are not permitted to wear flip flops to school. **Sandals with straps around the heel will be permitted.**

### PTO on the Go

The Loyalsock Valley PTO sends their thanks to all the staff and parents that helped make last year a successful one. They look forward to your support again this school year. Check your child's backpack for monthly PTO news.

Our school-wide fundraiser for this year will take place on Friday, October 4<sup>th</sup>. For the sixth consecutive year, we will have a one-day fundraiser called "Rally for the Valley". It is a school-wide walk-a-thon and for the first time in its history will be held on the fields of the Loyalsock Valley campus. More specific information will be coming home in September. (Rain date is Monday, October 7<sup>th</sup>.)

### What's Going On at LV

*Back to School/Open House* (gr. K-4)—Meet your child's teacher and other staff members before the school year begins. Visit with us on Thursday, August 22 *anytime* between 4:30 and 5:30 PM.

*Kindergarten Orientation* – Kindergarten orientation is scheduled for Monday, August 26. Parents should receive a letter in early August with an appointment time for their child's orientation. If you have not, please call the school office at 435-0446.

*First Days of School* – Our new school year begins on Monday, August 26 for students in grades 1 through 4. Kindergarten students first day of class is Tuesday, August 27.

*Bus Safety Program* – A bus safety program will be held during the first few weeks of school for all students.

*Fire Safety Program*– Local volunteer firefighters will present an important program to our students concerning fire safety on Friday, October 11. Students will learn about all the apparatus firefighters use to fight a fire. Most importantly our students will learn fire safety tips they and their families can do if they ever are faced with a fire emergency.

### Valley Kids Love to Read

Loyalsock Valley students read over 9,500 books during the 2012-2013 school year. This year we aim to read more than 10,000 books! Our annual reading assembly celebrates the students' love of reading and encourages them to continue reading for information and pleasure. Special guests help make our celebration even more special. Please continue to encourage our students to read in their leisure time! Reading is essential!

### School Pictures!!!!

School pictures at the Valley will be taken on Friday, September 27<sup>th</sup>. Look for more information coming home within the first few weeks of school.

### OLSAT testing in Grade 2

All students enrolled in the second grade during the 2013-14 school term will be administered the OLSAT Student Abilities Assessment. The OLSAT assessment is one of the resources the Montoursville Area School District utilizes to identify students who might qualify for possible inclusion in the gifted program.

### Kindergarten Camp

For the seventh consecutive year, "Kindergarten Camp" was held at Loyalsock Valley and Lyter Elementary Schools this summer. The staff included our elementary teachers, reading specialists and nurses. Students were selected from information gained during kindergarten cont'd

## News From Lyter

screenings in May. The benefits of the program are numerous and help many of our students prepare for the new experience of kindergarten. Students participated in calendar activities, opening exercises, and many other activities common to the daily routine of kindergarten. Various small group activities included phonemic awareness and introductory mathematical readiness skills. This valuable program is funded through the generous donations from the congregation of Faith United Methodist Church in Montoursville. Mr. Kurtz, Mr. Feerrar, and the Kindergarten staff would like to thank the members of Faith United Methodist Church for the opportunity to continue this very important program.

### Staff Changes

Mrs. Ravert—Kindergarten, Mrs. Shank—Grade 1, Mrs. Turnbow—Remedial Math, Mrs. Kukucha—Music, Mr. Ayers –AM Security Officer

### Kindergarten Entrance Change

Parents/visitors will not be permitted to enter the building through this entrance. All visitors must enter through the front door on Spruce St. (Exception: First week of school)

### Student Awards (June 6, 2013)

Amanda Project—Jaren Moyle, Jordan Chamberlain, Ryleigh Dyer, Savannah Paulhamus and Skylar Bennett

Spelling Bee Champion—Bre O'Dell

Geography Bee Champion—Jacob Foster

Law Day Award—Zachery Fisher

Principal's Award—Marin Catino

Good Citizenship Awards—Kenna Mensinger and Gabriel Hornberger

### Dates of Interest

8/26—Grades 1—12 Start of School, Kindergarten Orientation

8/27—Kindergarten Begins School

8/30—Teacher in-service day (K-4 no school)

9/4—Labor Day—no school

9/5—Open House

9/23—Picture Day

### PSSA TESTING DATES FOR 2014

March 17--March 28, 2014 -- 3<sup>rd</sup> & 4<sup>th</sup> Grade Math and Reading Assessments

April 28--May 2, 2014 -- 4<sup>th</sup> Grade Science Assessment

## McCall Middle School News

What a great summer it has been! We trust it has been restful, healthy and fun! As we begin to look towards the opening of school on August 26th, we are pleased to provide you with some important updates and information as you prepare to return.

### New Staff

On behalf of McCall Middle School, we welcome Mr. Corey Twigg to fifth grade. Corey will be teaching fifth grade language arts and social studies. Mr. Twigg has taught for several years at Loyalsock Valley Elementary School. Before coming to Montoursville, Mr. Twigg was a fifth grade teacher for the Montgomery School District.

Friday morning, August 23 from 8:30 A.M. – 10:00 A.M

The Fifth Grade Tour of our school will be given by homeroom teachers, administrators, and guidance counselors. We will begin our tour with everyone gathering in the McCall Commons.

August 26 – Student's first day. School begins for all students at 8:15 A.M.

September 2 – Labor Day – No school

September 18 - Student pictures will be taken during the school day. Information will be sent home the second or third week of school which includes prices and ordering information.

September 25 – McCall Open House from 6:30 – 8:00 P.M.

We are excited as we begin another school year at McCall. Our PSSA scores are strong. Our curriculum continues to be refined, Rtii is in its fifth year and our staff is committed to meeting the needs of our students. If you have any questions or concerns, please feel free to contact me at 368-2441. I am always glad to schedule a time to meet with you. Submitted by Jeffrey Moore

Please check our website for important updates at [www.montoursville.k12.pa.us/mccall](http://www.montoursville.k12.pa.us/mccall).

## Annual Notices

### Student Immunizations (Administrative Regulation 203 AR)

All kindergarten, elementary and secondary students enrolled in school in the Montoursville Area School District must be immunized against various communicable diseases. This is in keeping with the Pennsylvania Department of Health revised Immunization Regulations.

No child will be enrolled in or allowed to attend school unless their immunizations meet the following Department of Health stipulations:

Diphtheria and Tetanus; series of four (4). The fourth dose must be given on or after the fourth birthday; otherwise, a fifth dose must be administered.

Polio; three (3) doses of Trivalent oral or four (4) doses of Salk (inactivated) Polio Vaccine, students eighteen (18) or older exempted.

Measles (ten (10) day) - two (2) doses; live vaccine or blood test showing immunity. Second dose needed before starting kindergarten, at least one (1) month after the first vaccine.

Rubella (three (3) day or German); live vaccine or blood test showing immunity.

Mumps; two (2) doses live vaccine or physician's written record of diagnosis of mumps disease.

Hepatitis B; series of three (3) doses; second dose one (1) month after the first dose; third dose at least four (4) months after the first dose and at least two (2) months after the second dose.

Varicella Immunity (chicken pox); children entering school for the first time, either kindergarten or first grade, must have proof of varicella (chicken pox) immunity either by vaccine, two (2) doses, or a history of disease or lab test, and students entering the seventh grade must have the varicella immunity.

All students entering seventh grade should have one (1) dose Tdap if five (5) years have elapsed since the last tetanus containing vaccine and one (1) dose of meningococcal conjugate.

### Dispensing of Medication During School Hours (School Board Policy 210)

The district strongly recommends that medication be given in the home. When medication must be given during school hours, the following procedure should be followed:

Any medication to be given during school hours must be delivered directly to the school nurse, the school principal, or his/her designee by

the parent/guardian, or a responsible adult. It is preferred that the parent/guardian bring all medications to the school.

The written, dated request of the parent/guardian, giving permission for administration of medication.

The written order of the prescribing physician, which shall include the student's name, the purpose of the medication, dosage, and time schedule.

### Family Educational Field Trips (School Board Policy 204)

The school district shall consider a family educational field trip/excursion, which requires the absence of children from school as a lawful absence if the trip meets the following stipulations:

The trip shall be conducted only under the direct supervision and in the company of the parent/guardian or by an adult person acceptable to the Superintendent and the parents/guardians of the students concerned.

Prior to the trip, the details of the trip shall be presented in writing to the building principal so that s/he shall be aware of the purpose, duration, and destination of the trip.

Students are restricted to a maximum of 10 excused days for an Educational Field Trip.

The administration shall decide on the educational value of the trip to the student and shall indicate to the parents/guardians whether the absence will be considered lawful.

The student and/or parent/guardian will be responsible for obtaining all assignments and for completing all work covered during the absence.

*Note: Educational Field Trips will not be approved during PSSA and Keystone Testing.*

### School Dress (Administrative Regulation 221 AR)

Our district realizes that proper student dress and grooming habits are best learned at home under the guidance and supervision of parents/guardians, therefore, the school does not wish to dictate what clothes students must wear. However, the school must provide the best possible educational climate for the understanding and development of good grooming habits. It is with this in mind that the following regulations have been adopted.

Not Acceptable:

Hats will not be worn inside the building.

All shirts/blouses or other "tops" must cover the top of the shoulder. Sleeveless shirts will be permitted. Muscle shirts, spaghetti straps, etc. will not be permitted.

Undergarments will be properly covered by appropriate clothing.

Clothing that inappropriately exposes body area, as with cropped tops that expose midriffs, may not be worn.

Shorts, dresses and skirts must be worn so they naturally hang below arm's length.

Bike shorts (ex. Spandex) or ripped shorts are not permitted.

Students wearing transparent blouses must wear proper garments underneath. Blouses cut extremely low in front or in back are not permitted.

Clothing, buttons, or other insignia are inappropriate if they are intended to mock, ridicule, or otherwise deliberately demean or provoke others because of race, religion, national origin, or individual views.

Any clothing that presents a safety hazard or interferes with the educational process may not be worn. Clothing with words or pictures that contain sexual reference, either explicit or implied, may not be worn.

Regulations prohibit student dress and grooming practices that promote or advertise the use of drugs including alcohol, gang paraphernalia, violence or discrimination.

Clothing containing vulgar or obscene messages may not be worn.

Chains (i.e. wallet chains), studs, or other exposed metal which can cause personal injury or damage to school property are not permitted.

As a matter of general policy, the Montoursville Area School District expects that all students at all grade levels are to be neat and clean in appearance and dress when in attendance at school. The Board believes the responsibility for seeing that students meet these standards of dress ultimately rests with the parents/guardians. The principal, assistant principal, and teachers of each building are responsible for enforcing the regulations governing the proper dress and grooming of the students in their school. The administration holds the right to determine whether clothing is inappropriate for school. Students who are in violation of the school dress policy will be asked to exchange inappropriate clothing for more suitable attire. Failure to comply will result in further disciplinary action.

#### Controlled Substances, Tobacco, Weapons & Searches (School Board Policies 227, 222, 218.1 & 226)

Parents are hereby notified that it is a violation of the policy of the Montoursville Area School District for students to possess controlled substances. "**Controlled substances** shall mean all dangerous controlled substances prohibited by law; look-alike drugs; alcoholic beverages; anabolic steroids; drug paraphernalia; any volatile solvents or inhalants, such as but not limited to glue and aerosol products; and prescription or patent drugs, except those for which

permission for use in school has been granted pursuant to Board policy." Students are prohibited from using, possessing, distributing, and being under the influence of any controlled substances during school hours, on school property, and at any school-sponsored event. A trained dog, under the supervision of a specially trained law enforcement officer, may be used for an inspection on or within school property or school buses to detect the presence of controlled substances. If it is determined that the student was using, selling providing, dealing or possessing controlled substances, including look-alike drugs, the student will be suspended from the school. Any student who violates this policy shall be referred to the Student Assistance Program.

**Tobacco use** shall be defined as use and/or possession of a lighted or unlighted cigarette, cigar and pipe; other lighted smoking product; and smokeless tobacco in any form. Tobacco use and possession by students at any time in a school building and on any property, buses, vans and vehicles that are owned, leased or controlled by the school district, or school-sponsored activities that are held off school property are prohibited. A student convicted of possessing or using tobacco in violation of this policy may be fined up to \$50 plus court costs.

The school district shall expel for a period of not less than one (1) year any student who violates this **weapons** policy. Possession of weapons in the school setting is a threat to the safety of students and staff and is prohibited by law. A student is in possession of a weapon when the weapon is found on the person of the student; in the student's locker; under the student's control while on school property, on property being used by the school, at any school function or activity, at any school event held away from the school, or while the student is coming to or from school. Weapons shall include but not be limited to any knife, cutting instrument, cutting tool, nunchaku, non-chuck stick, firearm, shotgun, rifle, replica of a weapon, and/or any other tool, instrument or implement capable of inflicting serious bodily injury.

All lockers are and shall remain the property of the school district. As such, students shall have no expectation of privacy in their lockers. Students who drive their motor vehicles to school and park on school property have consented to the **search** of their vehicles. As such, students shall have no expectation of privacy in their vehicles while parked on district property. School officials are authorized to search a student's personal possessions or motor vehicle parked on school property when there is reasonable suspicion that the student is violating law, Board policy or school rules, or poses a threat to the student or the school population.

## Bullying, Unlawful Harassment & Hazing (School Board Policies 218.3, 248 & 247)

The Montoursville Area School District recognizes that bullying of students has a negative effect on the educational environment and overall climate of its schools. Students who are bullied, intimidated or fearful of other students may not be able to take full advantage of the educational opportunities offered by the school district. Bullying can also escalate into more serious violence. Therefore, the school district strives to offer all students an educational environment free from bullying. **Bullying** means an intentional electronic, written verbal or physical act or series of acts directed at another student or students that is severe, persistent or pervasive and has the effect of doing any of the following:

**Substantial inference with a student's education.**

**Creation of a threatening environment.**

**Sustantial disruption of the orderly operation of the school.**

**Bullying**, as defined in this policy, includes **cyberbullying**.

The District strives to provide a safe, positive learning climate for students in the schools. Therefore, it shall be the policy of the district to maintain an educational environment in which harassment in any form is not tolerated. **Harassment** shall consist of verbal, written, graphic or physical conduct relating to an individual's race, color, national origin/ethnicity, gender, age, disability, sexual orientation or religion.

**Hazing** activities of any type are inconsistent with the educational goals of the district and are prohibited at all times. Hazing is defined as any activity that recklessly or intentionally endangers the mental health, physical health or safety of a student for the purpose of initiation or membership in or affiliation with any organization recognized by the Board.

### Dissection Notification

The Pennsylvania School Code, Section 1522 (Pupil's Right of Refusal-Animal Dissection), by Act 88 of 1992, states that schools shall notify incoming pupils and their parents/guardians of the right to decline to participate in an education project involving dissection or vivisection of an organism of the kingdom of Animalia I the Phylum Chordata, organisms which have a notochord. A student who chooses to refrain from participation in or observation of a portion of a course of instruction in accordance with this section shall be offered an alternative education project for the purpose of providing the student an avenue for obtaining the factual knowledge. If you do not want your child to participate in the dissecting activity, please submit your request in writing to the appropriate teacher within two weeks of the start of school.

### Student Expulsions

The legislature of the Commonwealth of Pennsylvania requires that parents provide for costs associated with alternative education programs when their child has been expelled from school. An expulsion is defined as exclusion from school and a regular education program for more than 10 school days. Discipline codes are established for each of our schools. Please refer to your child's student handbook for specific information.

## Early School Dismissal Policy

The Montoursville Area School District has authorized the administration to have discretionary authority to dismiss school early in the event of an emergency. Parents are advised that arrangements should be made to insure that their children would receive proper supervision if they were returned to their homes earlier than usual. We suggest that working parents make arrangements with neighbors, relatives or friends to care for the children in the event the parents will not be home and to be certain that the youngsters understand the arrangements.

When the decision is made to close school early, the administration will notify local radio stations (WILQ/WZXR/WBZD/WWPA, KISS/Bill Country/Variety/WRAK, WJSA, WPSU) and television stations (WNEP, WYOU and WBRE). Information will also be posted on the school district's web page: [www.montoursville.k12.pa.us](http://www.montoursville.k12.pa.us). Please listen to the radio and television stations listed for that information.

### Building Security/Supervision

The doors of the schools will be opened at 7:30 a.m. Students arriving prior to that time will not be able to enter the buildings. Supervision will be available beginning at 7:30 a.m. Walking students and students using private transportation are encouraged to arrive after 8:00 a.m. The kindergarten doors at Lyter will be open from 8:00 to 8:30 a.m.

Only the door nearest the school office, manned by school police personnel, will be unlocked for visitor access. Visitors will be required to check in/out and wear a visitor's badge. All other doors will be locked to provide additional security and monitoring of visitors and guests entering the building. All doors are equipped with panic hardware so they will open from the inside. All buildings' doors will be locked by 6:00 p.m., except for those areas where evening activities are scheduled. Lyter's exterior doors are locked at 4:30 p.m. The high school's front entrance is locked at 3:30 p.m.

### Integrated Pest Management

Our district uses an Integrated Pest Management (PM) approach for managing insects, rodents, and weeds. Our goal is to protect every student from pesticide exposure by using an IPM approach to pest management. Our PIM approach focuses on making the school building and grounds an unfavorable habitat for these pests by removing food and water sources and eliminating their hiding and breeding places. We accomplish this through routine cleaning and maintenance. We routinely monitor the school building and grounds to detect any pests that are present. The pest monitoring team consists of our building maintenance, office, and teaching staff and includes our

students. Pest sightings are reported to our IPM coordinator who evaluates the pest problem and determines the appropriate pest management techniques to address the problem. The techniques can include increased sanitation, modifying storage practices, sealing entry points, physically removing the pest, etc.

From time to time, it may be necessary to use pesticides registered by the Environmental Protection Agency to manage a pest problem. A pesticide will only be used when necessary, and will not be routinely applied. When a pesticide is necessary, the school will try to use the least toxic product that is effective. Applications will be made only when unauthorized persons do not have access to the area(s) being treated. Notices will be posted in the hours 72 hours prior to application and for two days following the application.

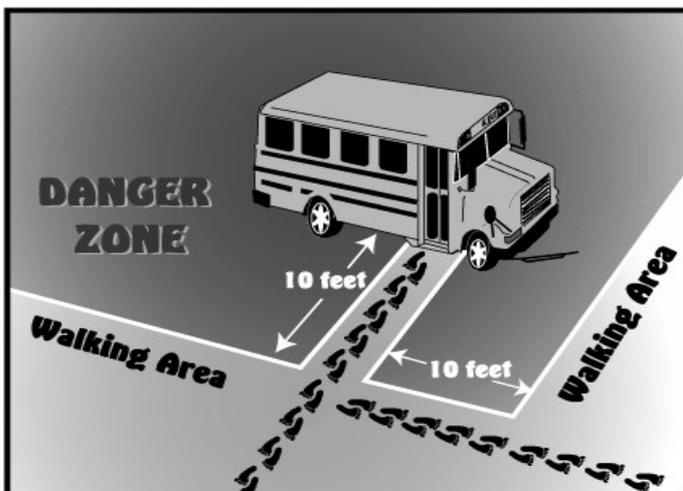

Parents/guardians or students enrolled in the school may request prior notification of specific pesticides applications made at the school. To receive notification, you must be placed on the school's notification registry by notifying the district in writing. Please write to Mr. Robert Saul, Montoursville Area School District, IPM Registry, 50 North Arch Street, Montoursville, PA 17754. Please include your e-mail address if you would like to be notified electronically.

If a pesticide application must be made to control an emergency pest problem, notice will be provided by telephone to any parent/guardian who has requested such notification in writing. Exemptions to this notification include disinfectants and antimicrobial products; self containerized baits placed in areas not accessible to students, and gel type baits placed in cracks, crevices or voids; and swimming pool maintenance chemicals.

Each school year, the district will prepare a new notification registry.

### Bus Safety

Respect the danger zone which is a 10-foot wide area surrounding the bus on all sides. When waiting to board, remain far enough away from the bus that you can clearly see the driver's face. That's about 10 giant steps. When you are sure that the driver can see you, approach the bus in a single line without running or pushing. **Never walk behind the bus!**

- ✦ Plan to be at the bus stop several minutes before the bus is scheduled to arrive. Make sure you leave home in plenty of time so you don't have to run in the street.
- ✦ Wait for the bus in a safe place, off the roadway. Avoid horseplay and always respect the privacy and property of others.
- ✦ Enter the bus in an orderly manner and take your seat.
- ✦ When entering the bus, go directly to an available or assigned seat. Remain seated and facing forward at all times while the bus is moving.
- ✦ Respect the "danger zone," a 10-foot wide area surrounding the bus on all sides. When waiting to board, remain far enough away from the bus so that you can clearly see the driver's face. That's usually about 10 giant steps.
- ✦ When you are sure that the driver has seen you, approach the bus in a single line without running or pushing.
- ✦ When leaving the bus, immediately step far enough away from the danger zone so the bus driver can see you. When the bus has pulled away, you can leave.
- ✦ When it is necessary to cross the street upon boarding or leaving the bus, walk far enough away from the bus so that you can see the driver's face. Wait for the driver to signal that it is safe for you to cross.
- ✦ Never chase a bus after it has pulled away from the bus stop. The bus driver can't necessarily see you.
- ✦ Do not allow large objects such as musical instruments or athletic equipment to block the aisles or emergency exits.
- ✦ Do not extend your hands, elbows or head through the windows.
- ✦ Do not throw or pass objects to someone outside the bus.
- ✦ Do not return to the bus to pick up anything you left behind. The bus driver might not see you come back to the bus. Purses, sweaters, lunchboxes and school papers can all be replaced. Children can't.

✦ When the bus driver gives you directions, follow them. Remain in your seat while the bus is in motion.

✦ Keep the aisles clear.

✦ Remain quiet and orderly.

At the end of the ride, thank the bus driver for getting you home safely. *Copyright 1992 National PTA. Permission to reprint is granted by the National PTA*

### School Bus Discipline

Control of student discipline on school buses shall be the responsibility of the bus contractors and bus drivers. Bus drivers will be expected to obey all federal, state and local laws and regulations pertaining to the transportation of school pupils.

### Student Medical Information for Bus Drivers

*At your discretion*, as a parent or legal guardian, please inform your student's bus driver of any medical condition(s) that might require the driver's attention. Medical information will not be provided to the bus contractors and bus drivers by the school district.

### Buses & Inclement Weather

Our district would like to remind all parents of our policy regarding the running of school buses in inclement weather. If the weather is bad enough throughout the district, school will run on a one or two hour delayed schedule or school will be canceled. Television and radio stations will be notified of school delays, early dismissals, or cancellations. This information will also be posted on our district's web site. If weather conditions are bad in isolated areas of our district, the bus drivers are authorized to use their discretion as to whether the bus will run or whether it will run on a later schedule. In either event, absence/tardiness because the bus did not run will be considered an excused absence. Our primary concern is the safety of our students and all other concerns are secondary. Please understand that you have the option of determining whether to send your child to school on a day when the weather is extremely bad.

### Bus Loading & Unloading Zones

When buses are loading or unloading children in front of the schools, the buses use the four-way stop signals. This procedure is enforced through the direction of the Pennsylvania State Police. Any vehicle that goes around buses while the four-way stop signal is activated will be subject to a fine in violation of the Pennsylvania Motor Vehicle Code. When the buses' four-way stop signals are activated, traffic

must stop in both directions until students are safely loaded or discharged from the bus. The Montoursville Area School District is asking you to obey this procedure for the safety of the students.

### Annual Notices to Parents/Students

#### Annual Notice – Federal Meal Program

The Montoursville Area School District participates in the National School Breakfast and Lunch Programs at all schools. This program is designed to provide nutritious meals at an affordable cost, meet the dietary guidelines for Americans, and offer assistance in the form of free or reduced price meals to families that meet the income requirements.

If you feel your family may qualify for free or reduced price meals, please complete and return the application that your child brings home on the first day of school. The form is also available on our district's web site, under the "Programs" tab - "Food Services". You will be notified by mail of your child's eligibility for free and reduced meals. In addition, the District's point-of-sale meal payment system prevents the identification of any participation in free or reduced meal programs.

If you have questions about the available programs or require assistance in completing the paperwork, please contact Mr. Jack Fessler, Food Service Director, at 368-3526.

#### Annual Notice – HIPAA

"HIPAA" is an acronym for the Health Insurance Portability & Accountability Act of 1996 (August 21), Public Law 104-191 requiring:

Improved efficiency in healthcare delivery by standardizing electronic data interchange, and

Protection of confidentiality and security of health data through setting and enforcing standards.

For more information about HIPAA and how it affects student health information, please see your child's Student Handbook. For more information on HIPAA, please go to the web site for the Office for Civil Rights, U. S. Department of Health & Human Services at: <http://www.hhs.gov/ocr/hipaa>

#### Annual Notice – Asbestos Hazard Emergency Response Act of 1986 (AHERA)

The Asbestos Hazard Emergency Response Act (AHERA) of 1986 (H.R. 5073) was introduced by Congress in spring 1986 to "provide for the establishment of Federal regulations which require inspection for asbestos-containing material and the implementation of appropriate response actions...in the Nation's schools in a safe and complete manner". Asbestos is the name given to a number of

naturally occurring fibrous metamorphic minerals that are mined and harvested for their valuable properties such as thermal insulation, chemical and thermal stability, and high tensile strength.

To address this concern, the EPA introduced the Asbestos Hazard Emergency Response Act, which was passed by Congress, and signed into law by then-president, Ronald Reagan, in 1986. The AHERA gave the EPA the mandate to develop a regulatory framework that required schools to inspect their buildings for asbestos, and to take appropriate abatement actions using qualified, accredited persons for inspection and abatement.

AHERA requires schools (public, private, primary and secondary schools) to inspect their buildings for asbestos-containing building materials. Additionally, schools must prepare a management plan which recommends the best way to reduce the hazards from any asbestos that are present. Options given to reduce asbestos hazards include repairing damaged asbestos containing material, spraying it with sealants, enclosing it, removing it, or keeping it in good condition so that it does not release fibers.

The asbestos management plans must be developed by accredited management planners and approved by the State within six months of the original inspection. The school authority must notify parent, teacher and employer organizations of the plans, and then the plans must be implemented. An inspection must be performed every three years as periodic surveillance of the present asbestos.

A summary of the major components of the management plan as required by the Asbestos Hazard Emergency Response Act of 1986 is given:

- Perform an original inspection and periodic re-inspections every 3 years for asbestos containing material.
- Provide circumstances that require response actions (abatement activity). For example, provide proper training for custodial staff.
- Appropriate response actions
- Implementation of response actions
- Operations and maintenance programs
- Periodic surveillance of asbestos
- Transport and disposal

Annual Notice - FERPA - Student Records & Directory Information (School Board Policy 216)

The school district will maintain educational records for students for legitimate educational purposes and recognizes the legal requirement to maintain the confidentiality of student records that conform to the mandates of the Family Educational Rights and Privacy Act (FERPA) and its regulations; the Guidelines for the Collection, Maintenance, and Dissemination of Student Records;

and the Standards for Special Education.

Parents/guardians and eligible students have the right to:

The right to inspect and review the student's education record within forty-five (45) days of the district's receipt of the request for access.

The right to request amendment of the student's education records that the parent/guardian or eligible student believes are inaccurate, misleading or otherwise violate the privacy rights of the student.

The right to consent to disclosure of personally identifiable information contained in the student's education records, except to the extent that FERPA and state laws authorize disclosure without consent.

The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest if the district discloses certain materials without prior consent.

The right to refuse to permit the designation of any or all categories of directory information (directory information may include the student's name, date and place of birth; major field of study; participation in officially recognized activities and sports, weight and height of members of athletic teams; date of attendance; degrees and awards received; the most recent and previous education agency or institution attended by the student; e-mail address; photograph and other similar information).

The right to request that information not be provided to military recruiting officers.

Anyone desiring that any or all of the categories of directory information not be disclosed must submit a written request to the building principal. A copy of the student record will not be transferred without prior written consent of the parent except to another school system or institution in which the child has enrolled, authorized representative of federal, state, and local government to comply with a judicial order, or to appropriate parties in a health or safety emergency.

Annual Notice - Protection of Pupil Rights – Student Rights/Surveys (School Board Policy 235)

**Surveys** conducted by outside agencies, organizations and individuals shall be approved by the Superintendent, prior to administration to students. All instructional materials shall be available for inspection by the parents/guardians of students. Instructional materials do not include tests or academic assessments. Parents have the right to inspect, upon request, a survey created by a third party prior to administration or distribution to a student. Such requests shall be in writing and submitted to the building principal.

No student shall be required, without written parental consent for students under eighteen (18) years of age or written consent of emancipated students or those over eighteen (18) years, to submit to a survey, analysis, or evaluation that reveals information concerning:

Political affiliations or beliefs of student or parents/guardians.

Mental and psychological problems of the student or family.

Sexual behavior or attitudes.

Illegal, antisocial, self-incriminating or demeaning behavior.

Critical appraisals of other individuals with whom respondents have close family relationships.

Legally recognized privileged or analogous relationships, such as those with lawyers, physicians, and ministers.

Religious practices, affiliations, or beliefs of the student or parents/guardians. Income, other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program.

Parents have the right to inspect the material and opt out the student from participating in any activity that result in the collection, disclosure or use of personal information for purposes of marketing or selling that information. This does not apply to the collection, disclosure or use of personal information (individually identifiable information including a student's or parent's/guardian's name, address, telephone number, or social security number) collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for or to students.

The Board has the authority and responsibility to establish reasonable rules and regulations for the conduct and deportment of district students. At the same time, no student shall be deprived of equal treatment and equal access to the educational program, due process, a presumption of innocence, and free expression and association, in accordance with policy and school rules. Attendant upon the **rights** established for each student are certain **responsibilities**, which include respect for the rights of others; obedience to properly constituted school authority; and compliance with the law and board policy, rules and regulations. Students are also responsible to volunteer information in matters relating to the health, safety and welfare of the school community and the protection of school property.

#### Annual Notice – Homeless Students (Board Policy 251)

The Board recognizes its obligation to ensure that homeless students have access to the same educational programs and services provided to other district students. The Board shall make reasonable efforts to identify homeless children within the district, encourage their enrollment, and eliminate existing barriers to their attendance and education, in compliance with federal and state law and regulations. Students shall not be discriminated against, segregated nor stigmatized based on their status as homeless. The Superintendent serves as the district's liaison for homeless students and families.

**Homeless students** are defined as individuals lacking a fixed,

regular and nighttime residence, which include the following conditions:

Sharing the housing of other persons due to loss of housing or economic hardship.

Living in motels, hotels, parks or camping grounds due to lack of alternative adequate accommodations.

Living in emergency, transitional or domestic violence shelters.

Abandoned in hospitals.

Awaiting foster care placement.

Living in public or private places not designed for or ordinarily used as regular sleeping accommodations for human beings.

Living in cars, parks, public spaces, abandoned buildings, substandard housing, transportation stations or similar settings.

Living as migratory children in conditions described in previous examples.

Living as run-away children.

Abandoned or forced out of homes by parents/guardians or caretakers.

Living as school age unwed mothers in houses for unwed mothers if they have no other living accommodations

Homeless students shall be provided services comparable to those offered to other district students including, but not limited to, transportation services; school nutrition programs; vocational programs and technical education; preschool programs; programs for students with limited English proficiency; and educational services for which students meet eligibility criteria, such as programs for disadvantaged students, students with disabilities, and gifted and talented students.

#### Annual Notice - Non-Discrimination & Title IX Statement

The Montoursville Area School District is an equal opportunity education institution and will not discriminate on the basis of race, color, national origin, sex and disability in its activities, programs or employment practices as required by Title VI of the Civil Rights Act of 1964, Title IX Education Amendment of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990."

For information regarding civil rights or grievance procedures contact Mr. Kim T. Sauers, our Title IX Coordinator, or Dr. Timothy S. Bowers, Title VI, Section 504 Coordinator and Americans with Disabilities Act Coordinator, at 50 North Arch Street, Montoursville, PA, 17754, telephone (570) 368-2491. For information regarding services, activities, and facilities that are

accessible to and useable by handicapped persons, contact Dr. Timothy S. Bowers, District Superintendent.

#### Annual Notice - No Child Left Behind

On January 8, 2002, President Bush signed into law the "No Child Left Behind Act" (NCLB). NCLB is designed to improve student achievement by increasing federal involvement in public education both at the state and local levels. NCLB has required significant changes to schools that receive Title I funding. Your child's school receives Title I funding and is covered under NCLB.

NCLB requires:

- Increased accountability for states, school districts, and individual schools
- Greater choices for parents, especially those in low performing schools
- Greater flexibility for states and local education agencies in the use of federal dollars

Under NCLB, parents have a right to know the professional qualifications of their children's teachers. This letter is to inform you of your rights for the following information about each of your child's classroom teachers:

- Whether the Commonwealth of Pennsylvania has licensed or qualified the teachers for the grades and subjects he or she teaches. Please note that all Montoursville Area School District's teachers are qualified.
- Whether the teacher is teaching under an emergency permit or other provisional status through which state licensing criteria have been waived. All Montoursville Area School District's teachers are fully certified.
- The teacher's college major, whether the teacher has any advanced degrees and, if so, the subject of the degrees. Please call your building principal for further information.
- Whether any instructional aides or similar paraprofessionals provide services to your child and, if they do, their qualifications. Please call your principal if you have questions. All Montoursville Area School District's instructional aides are highly qualified.

If you would like to receive specific information about your child's teacher or paraprofessional, please contact your school's principal.

#### Annual Notice – Special Education Services & IDEA & FAPE

A public school district is required by the IDEA (Individuals with Disabilities Education Improvement Act) of 2004 to provide a free appropriate public education to children with disabilities who need special education and related services. Section 504 of the *Rehabilitation Act of 1973* protects the rights of (FAPE) individuals with disabilities in programs and activities that receive federal

funds.

In accordance with IDEA & FAPE, the Montoursville Area School District provides the following services and programs for exceptional students. Some of the special educational programs are administered directly by the Montoursville Area School District while others are a cooperative effort between the school district and the Intermediate Unit (BLaST IU #17). For more information regarding services provided by our district, please contact Mrs. Barbara Irvin, Supervisor of Special Education, at 570-368-3502 or visit our web site at: [www.montoursville.k12.pa.us](http://www.montoursville.k12.pa.us).

The services/programs reflect students with the following physical or mental disabilities.

- Autism
- Deaf/Hearing Impairment
- Blindness/Visual Impairment
- Emotional disturbance
- Multi-disabilities
- Orthopedic impairment
- Specific learning disability
- Other health impairment
- Speech and language impairment

An individual is determined to meet special education by an Individual Education Plan (IEP) team, based upon recommendations from a multi-disciplinary evaluation (MDE). Each exceptionality has specific criteria to determine eligibility for a special education service or program.

The following listing notes the various types of program:

Learning Support, Life Skills Support, Emotional Support, Multi-Disability Support, Deaf and Hearing Impaired Support, and Speech and Language Support.

The above mentioned classes/services are implemented in the Montoursville Area School District or in adjacent school districts (operated by the Intermediate Unit, BLaST) or through contract agreement with a neighboring district.

In addition to the direct services, if the exceptional child is eligible, related services, can be part of the Individualized Educational Plan, for an example, physical or occupational therapy, etc.

The Montoursville Area School District has in place a system to identify children thought to be eligible for these services and programs.

An individual is determined to meet special education by an Individual Education Plan (IEP) team, based upon recommendations from a multi-disciplinary evaluation (MDE). Each exceptionality has specific criteria to determine eligibility for a special education service or program.

The following listing notes the various types of program:

Learning Support, Life Skills Support, Emotional Support, Multi-Disability Support, Deaf and Hearing Impaired Support, and Speech and Language Support.

The above mentioned classes/services are implemented in the Montoursville Area School District or in adjacent school districts (operated by the Intermediate Unit, BLaST) or through contract agreement with a neighboring district.

In addition to the direct services, if the exceptional child is eligible, related services, can be part of the Individualized Educational Plan, for an example, physical or occupational therapy, etc.

The Montoursville Area School District has in place a system to identify children thought to be eligible for these services and programs.

## SCREENING

The Montoursville Area School District uses the following procedures for identifying and evaluating specific needs of school-aged students requiring special programs or services. Request for screening for speech and language, learning disabilities, occupational or physical therapy, or gifted services should be directed to either the principal of the child's school or directly to the Supervisor of Special Education (368-3502).

Upon a verbal or written request for a psychological assessment, a Request for Evaluation form will be sent to the parent within ten days. Once the signed Request form is returned to the District Office, the school psychologist will send a Permission to Evaluate and a Parent Input form to the parent. Upon receipt of the signed Permission form, an evaluation will be scheduled to occur within sixty (60) days. Once the evaluation is complete, an Evaluation Report will be developed and discussed with the parents and classroom teacher. If the child is identified as requiring specially designed instruction, an individual education plan will be developed within ten days of the Evaluation Report meeting.

If a parent requests Speech and Language Screening, the same procedures, as stated above, are followed. However, the Speech and Language Therapist will conduct the evaluation.

## SECTION 504 of the REHABILITATION ACT of 1973

The Montoursville Area School District shall provide each protected, handicapped student (as defined below) enrolled in the district, without cost to the student or family, those related aids, services or accommodations which are needed to afford the student equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities without discrimination and to the maximum extent appropriate to the student's abilities.

A protected, handicapped student is one who meets the following conditions:

- Is of an age at which public education is offered in the school district.
- Has a physical or mental disability that ***substantially*** limits or prohibits one or more major life activities (caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working).
- Is not eligible for existing special education programs and services or who is eligible but is raising claim of discrimination.

## Determination:

In determining whether or not an impairment "substantially limits" a major life activity, the team must take into account the effects, both positive and negative, of any mitigating measure (medication, hearing aids, glasses, contacts, etc) used by the student. The impairment must substantially limit a major life activity despite the use of the mitigating measure. For example, a student's poor vision does not substantially impact the major life activity of seeing if the student normally wears glasses or contacts to correct the poor vision.

## *Special Education FAQ'S*

### **What should I do if I suspect my child has a learning disability or is educationally gifted?**

If as a parent, you feel a need for a psycho-educational evaluation of your child for learning problems or possible exceptionalities, contact the principal of your child's school or the office of the Supervisor of Special Education (368-3502). A permission to evaluation form will then be forwarded to you, by the school psychologist, to complete and return. Upon receipt of the permission, an evaluation will be conducted within 60 calendar days. A meeting will be scheduled to review the results and discuss the educational options to meet the needs of your child.

If you disagree with the results of the psycho-educational evaluation, you have the right to access an outside evaluation of your child. The Montoursville Area School District complies with all federal and state regulations and requirements regarding access to and provision of independent evaluations. If you have any questions or concerns, the following website should provide you with answers: [http://www.portal.state.pa.us/portal/server.pt/community/bureau\\_of\\_special\\_education/7340](http://www.portal.state.pa.us/portal/server.pt/community/bureau_of_special_education/7340)

### **What if my child is enrolled in a private school?**

When a parent who has unilaterally chosen to place their child in a private school requests an evaluation to

determine eligibility for special education from their local school district, Child Find responsibilities under ID E A 2004 are mandated. Under ID E A 2004 the school district must either:

1) Issue the Permission to Evaluate and upon receipt of the signed Permission to Evaluate conduct an evaluation; determine eligibility for special education and, if determined eligible, offer a free and appropriate public education (FAPE ) in the public school as well as notify the parent of the child's right to receive an offer of EP services from the IU based on the school district's evaluation if the child remains in private school; or

2) Issue the Notice of Recommended Educational Placement (NOREP) explaining why the school district is declining the parent's request for evaluation (which denial cannot be based on the availability of an evaluation from the IU) and issue the Procedural Safeguards notice to insure the parent's knowledge of their right to due process.

**Is it possible for my child to have a disability and not qualify for services under Section 504?**

Yes, it is very possible that a student may have a disability and not qualify for services under Section 504. For an example, a student diagnosed with ADD who has made academic progress as shown by grades and standardized test scores is not substantially limited in the major life activity of learning.

**SCHOOL BUS SURVEILLANCE CAMERA NOTICE**

Students and parents/guardians should be aware that Montoursville Area School District school buses have video cameras monitoring bus passengers. The cameras record visual images of passengers at different locations throughout each bus. Camera recordings are reviewed by school officials for discipline and safety purposes and may be provided to police or used in school disciplinary proceedings. Students should understand that their actions while on school buses will be recorded; therefore, they should have no expectation of privacy when riding school buses. Riding school buses constitutes consent to the recordings by the surveillance cameras.
