Buildings and Grounds

B - 1 Approval for the following change orders:

	Company	Change Order	Reason	Amount
Add:	Lobar	COR 121	To relocate topsoil and recycled fill material to different positions on site. This was originally submitted in a slightly high amount, but Mr. Castner asked the contractor to allow whatever possible to stay in present position. The result was that we kept the recycled pile in position and only relocated the topsoil pile. Even that material was minimized in terms of relocating on site by removing the material	\$17,224.31

			that would not have been necessary for placement and relocating on site by removing the material that would not have been necessary for placement and relocating only the material that would be needed. This location had to take place to allow construction of half of the bus loop so we could link to Mulberry Street drop off point. This cost is due to the suspension .	
Add:	Lobar	COR 127	To rework partitions within the faculty suite to accommodate openings picked up on the ductwork coordination drawings after coordination efforts in the field.	\$1,028.89
Add:	Lobar	COR 129	To provide a temporary OSB wainscot for the temporary closure of the west side of the flat portion of the auditorium to allow this space to be used as the temporary home of the music program. This is due to the suspension .	\$1,700.00
Add:	Lobar	COR 136	To install closers on seven laboratory doors and switch out one hollow metal door with a wood door. The laboratory corridor doors needed closers. This is installation only.	\$705.09
Add:	Lobar	COR 138	To install a suspended acoustical ceiling in Custodial B117. This room was intended not to receive a ceiling, but because of other parameters, it was necessary to install.	\$647.70
Add:	Lobar		To install saved existing brick into infill areas at the east wall of the existing gymnasium in the vicinity of the new canopy over the south exit from the main corridor. It was recognized during demolition that there would not be enough coverage of the existing brick surface, so existing face brick was saved, cleaned, etc. for later use. This is the installation portion of that change.	\$1,776.74

Motion: Marriott Second: Johns
 Yes: Hagemeyer, Johns, Marriott, McCleary, Ruffing, Snell, Wright
 No: None
 Absent: Konkle, Logue
 Result: Motion Carried
