Charging Cable/Power Block Purchase Form School Year 2021-2022

Please complete this form and submit it to your building secretary in order to receive a new charging cable or power block for any reason. Payment for the items listed on this form must either be included with this form or submitted ahead of time via www.schoolcafe.com. One form must be completed per student so that we can accurately provide the student with the equipment that works with their device.
