**NEW STORY
TUITION AGREEMENT
2022-2023 EXTENDED SCHOOL YEAR**

THIS TUITION AGREEMENT is made effective as of the date set forth below by and between New Story, LLC and MONTOURSVILLE ("School District"). For the mutual consideration set forth herein and intending to be legally bound hereby, the parties agree as follows:

1. [REDACTED] ("Student") requires special education as defined by his/her Individualized Educational Program ("IEP"). New Story operates a school ("School") located at **297 Route 204, Selinsgrove, PA 17870**. School is a private licensed school within the Commonwealth of Pennsylvania that provides educational services to children with special education requirements. School employs certified personnel as defined by the Pennsylvania Department of Education and otherwise meets regulatory requirements for a private licensed school. New Story performs all background checks required by Pennsylvania law on School staff, including child abuse clearances and Pennsylvania and federal criminal history reports. Criminal history reports are updated at least every 60 months. Copies of such documentation shall be provided to the School District upon request. New Story does not employ individuals who are disqualified from having direct contact with children under applicable law. New Story will notify School District in writing if it learns that a New Story employee performing services under this agreement is arrested for or convicted of a crime.
2. School District desires to obtain educational services from New Story for Student. New Story has agreed to enroll Student in the School. The parties agree that the special education program offered by New Story within the School is the least restrictive and most appropriate environment within which to provide Student with the required special education as set forth in the IEP.
3. The commencement and ending dates for the student's enrollment at the School for school year services are set forth on the signature page. Student's enrollment will expire on the ending date. The enrollment of Student at the School may be terminated by either party upon at least twenty-one (21) days written notice to the other party. School District shall remain obligated to pay all amounts due to New Story through the enrollment termination and such obligation shall survive any termination of this Agreement. If student becomes hospitalized or placed at an alternate placement, after 10 consecutive days, School District can dis-enroll or choose to pay the low daily rate to maintain enrollment.
4. New Story agrees to provide, within reason, Student with all the services specified within the IEP, including any subsequent revisions to the IEP. New Story shall notify the Student's Parent/Guardian and School District if it cannot provide such services for any reason. The parties agree that New Story has made no representations or other commitments regarding Student achieving any specific goals specified within the IEP.
5. School District agrees to translating the IEP in the Parent's native language, as required by law.

6. New Story reserves the right to terminate a Student's enrollment at the School whenever New Story determines, in its sole discretion, that Student is not benefiting from the program being offered, School is unable to effectively deliver services to Student, Student presents a serious risk to the safety of others, and/or Student is in need of services which School is unable to provide. New Story shall provide written notice of its intention to terminate Student's enrollment at least twenty-one (21) days prior to termination except when termination is for serious disciplinary infractions or safety reasons. Serious disciplinary infractions shall be defined at the sole discretion of New Story. However, the parties acknowledge that School is designed and intended to educate students with behavioral challenges and that serious disciplinary infractions as defined by New Story must present exceptional challenges to be so defined.
7. New Story personnel will participate in the IEP development and revision process along with Parent(s)/Guardian(s), School District, and other individuals as appropriate under applicable law.
8. School operates on a school year schedule in accordance with the School's calendar incorporated herein as Attachment "B". The parties agree that the School may be closed by New Story due to inclement weather or for other safety reasons without prior notice to School District.
9. The charge for the special education classroom program provided by New Story within School is \$397.00 per day based on enrollment. The foregoing charge includes the additional individualized services listed in Attachment A hereto and specified in the IEP provided by employees or agents of School ("Related Service"). New Story shall notify School District of any modifications to the foregoing charge. Unless School District elects to terminate this Agreement and the enrollment of the Student within thirty (30) days of such notice, School District agrees to pay any modified charge amount.
10. The fees indicated in Section 9 shall be discounted by \$10/day for each additional student that School District enrolls in New Story beyond the initial 5 (five) students and \$20/day for each additional student that the district enrolls beyond the initial 15 (fifteen) students. Such discount shall be determined and applied at the sole discretion of New Story.
11. New Story shall invoice School District for special education classroom program fees as indicated in Section 9 above within ten (10) days of the beginning of the month for which services are scheduled to be provided, and the discount provided for in Section 10, if applicable, shall be reflected in such invoice. School District shall pay the invoice within thirty (30) days of the invoice date.
12. School District shall send payments to the following address:

New Story, LLC
Lockbox #787226
P.O. Box 787226
Philadelphia, PA 19178-7226

13. Any amounts due New Story under the terms of this Agreement, which are not paid within thirty (30) days of the invoice date shall accrue interest at the rate of 1.5% per month, or such portion thereof from the due date, until payment is received by New Story. New Story shall allocate any partial payments in its sole discretion to any components of School District's outstanding balance. All academic reports will be held until the amounts due are paid in full. In the event that New Story has to pursue collection to recover any unpaid amounts, the School District will be responsible for any costs of collection, including attorney's fees. In addition to the foregoing, if School District is more than 45 days past due, paragraph 10 and the discount provided therein will not apply until School District's account is less than 30 days past due.
14. This Agreement, as well as matters pertaining to student discipline and termination, shall be governed by the Commonwealth of Pennsylvania law, and the rules and regulations promulgated by the Pennsylvania Department of Education applicable to private schools. Neither New Story nor the School shall be subject to the laws of any other state. All disciplinary proceedings and post-disciplinary proceedings, such as IEP team meetings, shall be held on School campus unless otherwise arranged by New Story.
15. No representations, promises, or agreements not expressly set forth herein in writing shall be binding on the parties hereto.
16. No change, amendment or modification to this Agreement shall be effective unless it is in writing and signed by both the School District's and New Story's authorized personnel.
17. Unless specified otherwise, all references to number of days shall be calendar days.
18. School District represents and warrants that the individual executing this Agreement is duly authorized to execute and deliver this Agreement on its behalf and this Agreement is a valid and binding obligation of School District.
19. School District agrees to indemnify, defend, and hold New Story harmless from any claims, losses, suits or damages caused by or arising from the negligence or willful misconduct of School District, its agents, and its employees.

New Story agrees to indemnify, defend, and hold School District harmless from any claims, losses, suits or damages caused by or arising from the negligence or willful misconduct of New Story, its agents, and its employees.
20. The undersigned School District has reviewed this agreement and hereby acknowledge School District's understanding of the terms of this Agreement and agrees to abide by and be held responsible for payment of the obligations set forth above.

Upon the termination of the compensatory education fund for any reason, any unused monies remaining in the fund shall revert to the District and shall be forfeited by Student and Parent; provided, however, that any amount that remains the subject of a dispute between the Parties at the expiration shall remain in the fund pending the final resolution of the dispute.

6. For the purpose of this Agreement, "legitimate educational expenses" shall be defined as actual financial expenses incurred by the Student and/or her Parent on or after the date of full execution of this Agreement that were or are intended to address and be for the sole

benefit of the Student's educational needs, meaning those requisite items, products, or services that can be provided to the Student to support the development of her full educational potential, including, but not limited to, (a) special education instruction; (b) remedial tutoring provided by certified teachers or qualified instructors or in licensed facilities or programs; (c) planned educational courses of instruction offered through accredited or licensed facilities, institutions, or programs; (d) educational software/hardware, books, texts, materials, and equipment, including no more than one (1) assistive technology equipment/device and devices, if necessary and directly related to the educational instruction that the Student was or is then receiving, provided that the assistive technology equipment and devices are not in excess of Five Thousand Dollars and Zero Cents (\$5,000.00) in a three (3) year period; (e) related services as defined in the regulations implementing the Individuals with Disabilities Education Act, 20 U.S.C. §§ 1400, *et seq.*; (f) educational evaluations; (g) psychological and/or psychiatric counseling, behavioral therapy, and social skills training conducted at the direction and under the supervision of appropriately trained, certified or qualified personnel or in certified or licensed programs; (h) vocational, technical, or transition-related activities intended to address a specific need of the Student for transition to post-secondary education or employment, specifically permitted is for the cost of the vocational certification program at a post-secondary institution if the certification program chosen by Student is not available for adult learners who have a high school diploma or GED at one of the career and technical centers; (i) transportation directly between the home/school of Student and any provider of services for which payment is due under the terms of this Agreement, at the then-applicable reimbursement rate approved by the U.S. Internal Revenue Service, when such transportation is provided by Parent or her designees in private vehicles, or

8. Parent agrees she is responsible for procuring services and/or items that are legitimate educational expenses as identified in this Agreement. The District's obligation is limited to management, administration and distribution of the compensatory education fund. The District's obligation to make direct payments to service providers and/or vendors and/or reimbursements to Student or Parent in accordance with this Agreement shall be contingent upon Student or Parent providing to the District substantiating documentation that they have complied with the requirements of Paragraph Six (6) of this Agreement, in that the request has been defined as an allowable expense pursuant to this agreement, and providing substantiating documentation from the service provider and/or vendor of a "legitimate educational expense," consisting of a billing statement on professional or business letterhead that includes the name, address, phone number, hourly rate and/or cost of the service provider and/or detailed invoice of costs from the vendor, and the type and amount of services and/or material/equipment provided to Student for which payment is sought. calendar days of receipt of the necessary substantiating documentation of the “legitimate educational expense” from Student or Parent.

9. Requests for direct payment or reimbursement shall be submitted in writing with supporting documentation to the Director of Special Education. Parent agrees that whether or not a service or material is a “legitimate educational expense” reimbursable through the compensatory education fund will be determined by the District, and any such determination by the District may be challenged pursuant to Paragraph Ten (10) below. However, the District shall not unreasonably decide that a service or material is not a “legitimate educational expense,” nor unreasonably withhold payments for services/materials requested.

10. In the event that the District rejects without reasonable cause or fails to respond to any request by Parent or Student for direct payment or reimbursement from the compensatory education fund within forty-five (45) calendar days, Parent or Student shall provide a second written request to the District specifically describing the requested “legitimate educational expense” and shall again submit the required substantiating documentation for the expense with further clarification, if specifically requested by the District. If a dispute remains after ten (10) calendar days following the District’s receipt of a second written request from Parent or Student of either an unreasonably rejected request or a request with no response, either Party may seek resolution of that dispute through the mediation procedures provided by the Office for Dispute Resolution, a court of competent jurisdiction, or, provided that such is mutually agreed upon, any other appropriate resolution mechanism, such as binding arbitration.

WAIVERS AND RELEASES

11. Parent hereby represents and affirms that, by consenting to this Agreement and accepting from the District the consideration described in this Agreement, as well as the other

obligations of this Agreement, Parent hereby irrevocably waives, releases, and forever discharges all claims and all demands of any kind asserted or that could have been or could be asserted, whether known or unknown, by Parent and/or Student against the District and its officers, directors, employees, agents, attorneys, and insurers concerning or related to Student's education from the beginning of time until the date this Agreement is fully executed by the Parties, except in the event the Parent and/or Student accesses the Fund to pay for the cost of services described in Paragraph Six (6)(h), the waiver shall extend through placement or the date in which the Student turns 21, September 2, 2025, whichever comes first, shall, including, but not limited to, claims or demands pursuant to the Individuals with Disabilities Education Act, 20 U.S.C. §§ 1400, *et seq.*, and its implementing regulations, 34 C.F.R. In the event that **Tucker** should apply for employment with the **School District**, the **School District** shall disregard the application. In addition, **Tucker** shall not act in a contractor capacity or be employed by a contractor or other entity to provide services at the **School District** or in any of its facilities or in any of its programs.

§4. Effective Date of this Agreement. This **Agreement** shall become fully effective and enforceable only when each of the following conditions have been fulfilled:

§9. Actions by Others. **Tucker** agrees and covenants that neither he nor any person, organization or other entity on his behalf, will file, charge, claim, sue or cause or permit to be filed, any individual action or class action for damages, including injunctive, declaratory, monetary relief or other, against the **Released Parties** hereunder, involving any matter whatsoever which occurred at any time in the past up to date of this **Agreement** or involving any continuing effects or any acts or practices which may have arisen or occurred prior to the date of this **Agreement**. It is understood that if a class action is filed, that the mere filing of said action does not place **Tucker** in breach of this **Agreement** provided that **Tucker** takes reasonable steps with all due speed to remove himself from the class.

§10. Grievances, Arbitration and Other Proceeding Barred. Neither **Tucker**, nor any person, organization or other entity on his behalf, shall file any grievance, arbitration request, unfair labor practice or any other proceedings of any nature or kind respecting any of the matters encompassed within this **Agreement**.

§14. Construction. All parties acknowledge that this **Agreement** constitutes a compromise settlement of the subject dispute and that the terms hereof shall not be construed as an admission on the part of either party or as a validation or invalidation of any allegations.

The **Released Parties'** agreements in this matter and to the terms hereof shall not set a precedent, be construed as a practice or course of dealing of the **School District** or be used in any manner in an attempt to expand the rights of any **School District** employee, it being understood that the decision of the **School District** in this matter is based upon the unique and particular facts of this matter.

- **Thank you to the High School's Key Club members...**for continuing their Mentoring Program this year with our 4th grade classrooms. Later in May members of the High School Key Club will travel to each elementary school for a final session of the Warrior Pal Program. The High School students active in the Key Club have a pen pal in 4th grade. They meet face to face three times per year and write letters throughout the year to one another. Thanks to Mrs. Tira (Key Club Advisor) and the 4th grade teachers for offering this program once again.

The yearbooks have been ordered, class picnics/special activities are planned, Food Truck/Basket Raffle at Lyter, grade level field trips, and many events always highlight the culmination of another year's journey in our schools. It is always amazing to see how far our little ones have grown academically each year. **4th graders** will travel to McCall for an introduction to the music programs available in the middle school.
