

Dear families,

It's a new beginning, a fresh, bright year. We're more excited than ever to welcome your children back to school! We've been refining and improving their favorite foods they've come to love, and also creating delicious, exciting new chef-inspired meals that we can't wait to share with everyone.

We know you have tough decisions to make every day, let us help by providing school lunch for your children. There are multiple advantages:

SAVE MONEY – Groceries at home can add up, our buying power means we get quality food at cost effective pricing. **And for the 2024-2025 school year, BREAKFAST & LUNCH ARE FREE FOR ALL STUDENTS!!**

SAVE TIME – No more morning rush to pack lunch!

VARIETY – No more guessing what your child will be hungry for at lunch. Kids can choose from multiple options on the serving line every day.

BALANCED NUTRITION – School meals are nutritious and are based on USDA guidelines.

Want to simplify the school year even more? Paying ahead can be an easy, low stress way to ensure ready access for your children to always have a healthy meal at school. Every student will receive one free breakfast and one free lunch. Anything additional (snacks or extra meals), students will have to already have money in their lunch account. Check out Schoolcafe.com to view purchases and add money to your child's lunch account.

We're ready for the best year yet! Together, we can ensure your children have nutritious meals at school for their optimal health and well-being. Our simple mission continues to shine through every aspect of our business: Caring for People. Serving Great Food.
